

CR1800G-4RD 4 Drawers, 1 Door Professional Counter Refrigerator

Description

This has a reliable refrigeration system that can save on energy costs and improve efficiency. Built to international quality standards, you are guaranteed a good long term investment.

The stylish design and the integrated handles give the cabinet an enhanced appearance. With the use of a quality stainless material, foods can be prepared safely and hygienically.

The under counter storage (GN 1/1) maximizes valuable available space. Four convenient GN1/1 deep drawers for quick access for produce. The drawers run on high quality runners.

A smart cooling system provides constant air flow throughout the cabinet ensuring excellent food preservation.

Star Features

- GN 1/1 interior
