

## F25BSV Professional Reach-in Stainless Freezer

### Description

This large interior holding freezer accepts GN 2/1. A precision high density polyurethane insulation provides excellent thermal efficiency, contributing to low running costs.

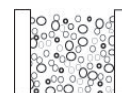

The cabinet comes with mobile swivel castors and can go through any standard doorway making it convenient for all professional caterers. The defrost management system has a dual device to speed up the process and reduce over freezing the evaporator. Bottom mounted compressor means easy maintenance and excellent cooling.

### Star Features

- GN 2/1 interior
- Direct forced air cooling
- Quality stainless finish
- Lockable door
- Adjustable shelving
- Digital controller
- Swivel castors with brakes
- Bottom mounted compressor
- Easy loading
- Fully automatic defrost
- Stays open at a 90° angle
- 4 Shelves as standard
- Push fit door seal
- Robust compressor
- Quality components

### Technical Specification

Model	F25BSV Freezer	
Dimensions	W685 x D800 x H2120	
Temperature Range	-17°C to -22°C	
Capacity Nett	600 Litres	
Refrigerant	R600a	
Compressor	EMBRACO	
Power	13Amp Plug	4.9Kw/24H
Energy Class	C	
Nett Weight	120Kg	
Shipping Weight	147Kg	

High density polyurethane insulation
