

Description

Large high performance holding fridge accepts GN2/1 shelves. Precision high density polyurethane insulation provides excellent thermal efficiency, contributing to low running costs. Best in class(A). This unit will save you money & minimise environmental impact.

The cabinet comes with mobile swivel castors and can go through any standard doorway making it convenient for banquet and contract catering. The defrost management system has a dual device to speed up the process and reduce over freezing the evaporator.

Star Features

- GN 2/1 interior
- Direct forced air cooling
- Quality stainless finish
- Lockable door
- Adjustable shelves
- Digital controller
- Swivel castors with brakes
- Natural refrigerant low cost
- Easy loading
- Fully automatic defrost
- Door stays open at 90° angle
- 4 Shelves as standard plus base shelf
- Push fit door seal
- Robust compressor
- Quality components

Technical Specification

Model	R680SA Fridge
Dimensions	W740 x D840 x H2020
Temperature Range	0°C to +5°C
Refrigerant	R290a (52g)
GWP20	0.072
Power	13 Amp Plug
Energy Class	A (0.83 kW/24hr)
Nett Weight	124 Kg
Shipping Weight	136 Kg
Climate Class	4

High density
polyurethane insulation
